

Financial Overview 2018 - 2019

BayRides is a registered charity that has been providing affordable, accessible door-to-door transportation in the St. Margaret's Bay area since 2015. BayRides is focused on careful financial management to ensure the sustainability of our service. 71% of all annual costs are directly related to keeping our vehicles on the road, allowing us to provide over 9,100 trips, covering over 173,000 kms, during our 2018-19 fiscal year.

Operating Funding and Expenditures

Financial Transparency

BayRides is committed to being financially transparent with our stakeholders, clients and the communities we serve. Our financial statements are independently reviewed annually. Our T3010 Registered Charity Information Return is available on-line at <https://canada.ca/charities-giving>.
