PRESS RELEASE

BayRides welcomes new Executive Director

St. Margaret's Bay, NS - The board of directors of BayRides is happy to announce that Patty King has been hired as the new Executive Director. She will replace Julie Stover who contributed immensely to the growth and efficiency of BayRides over the past two years. "Patty's extensive experience in the not-for-profit sector will guide our governance and operations, building on the foundations established by Julie Stover," says Chris Pelham, president.

Patty has 25 years experience in senior management and is particularly interested in creating awareness about BayRides and building productive partnerships. A resident of Hubley, she is enthusiastic about the opportunity to make a real difference in her community as part of the BayRides team. "Providing affordable and accessible transportation to our community is a vital service; ensuring its continuation and growth is an exciting challenge I am eager to take on," says Patty King.

Patty is looking forward to meeting members of the St. Margaret's Bay community at the Bay Expo on Saturday, May 12th at the Estabooks Community Hall. BayRides is pleased to be providing transportation for the volunteers during the Expo. You can also connect with Patty by email at info@bayrides.ca.
