PRESS RELEASE

Peter Delefes New President of BayRides

After two years at the helm of BayRides, Chris Pelham has left to focus on other activities, including the Community Enterprise Centre. On behalf of the Board of Directors of BayRides, the new president Peter Delefes expresses his sincerest thanks to Chris Pelham for his years of leadership and commitment to the organization. We look forward to Chris' continued service as a volunteer driver for BayRides. Thanks also go to out-going director Andrew Stenhouse for his invaluable contributions.

"I look forward to working with a talented Board of Directors, an experienced staff, and committed volunteers, to continue to increase our ridership," says Peter Delefes. "We are especially interested in collaborating with our community partners like the VON, the Food Bank, the Seniors' Association, and the Tantallon Library to make sure everyone knows about the excellent transportation service we provide."

As of the Annual General Meeting held in June, the other members of the Board of Directors of BayRides are: Michael Coward, Peter Duke, Heather Cochrane, Megan Harris, Dustin O'Leary, Sally Ross, Bob Widdowson, and Lydia Boutilier
